Elite Equestrian**

**EST.2018 PREMIUM
COLLECTION**

Our Story: Where Passion Meets Precision

THE BEGINNING

At surphy, we are more than just a brand; we are a collective of equestrian enthusiasts, designers, and craftsmen united by a profound love for the sport. Our journey began with a simple yet powerful vision: to create riding apparel that transcends the ordinary, merging cutting-edge technology

OUR PHILOSOPHY

We understand the unique bond between horse and rider. Every piece of surphy gear is conceived with the rider's needs at the forefront – delivering uncompromising performance, unwavering safety, and unparalleled comfort. We believe that superior equipment is not just an accessory, but a vital partner in achieving equestrian excellence.

Your One-Stop Destination for Premium Equestrian Gear

Discover a world of exceptional quality and design with the complete SURPHY collection. We offer a comprehensive range of products tailored to meet the demands of every discipline and riding style.

Competition & Show Collection

For the ultimate performance and presentation in the arena.

Training & Everyday Collection

Engineered for comfort and durability during rigorous training sessions.

Safety & Protection Collection

Your trusted shield, designed to meet the highest international safety standards.

ACCESSORIES & JUNIOR COLLECTION

Stylish finishing touches & specially designed gear for the next generation of riders.

- ① Cool-feel & Quick-dry
Absorbs sweat without stickiness
- ② 4-needle 6-thread,
skin-friendly, no chafing on thighs.
- ③ High-magnification elasticity
Enhance waist-to-hip ratio

Rider Apparel – Tops: *Engineered for Performance, Designed for Grace*

Show Jackets: The Epitome of Arena Elegance

Our show jackets are a masterpiece of form and function. Meticulously tailored to flatter the rider's silhouette while allowing full freedom of movement. Made from lightweight, four-way stretch technical fabric that wicks moisture and breathes exceptionally well.

Riding Tops: Comfort & Performance for Every Day

Our riding tops are designed for the rigors of daily training, offering unmatched comfort and practicality. Crafted from quick-drying, breathable jersey knit fabric with UV protection.

Rider Apparel – Breeches: Unmatched Comfort and Grip

SURPHY breeches are engineered to be your most comfortable and reliable partner in the saddle, blending anatomical precision with premium materials.

Cut & Fit

Our signature anatomical fit moves seamlessly with your body. A high, elasticated waistband with a silicone grip strip ensures secure positioning.

Material Craftsmanship

A premium blend of soft cotton and high-performance elastane delivers a buttery feel with exceptional durability and shape retention.

Silicone Grip Technology

Proprietary silicone printing provides optimal stability and grip for precise leg aids, allowing for a more confident seat.

Rider Apparel – Accessories: Precision in Every Detail

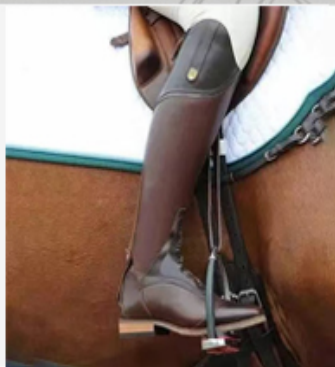

Complete your equestrian ensemble with surphy accessories, designed to complement your performance and style.

Riding Gloves | Ultra-soft, durable synthetic leather with a breathable mesh back. Touchscreen-compatible fingertips add modern convenience.

Riding Boots & Half Chaps | Premium leather or high-quality synthetic materials, providing excellent grip and protection.

Socks | Technical riding socks with moisture-wicking fibers and targeted cushioning.

Protective Gear – Helmets: Safety Without Compromise

At surphy, safety is our highest priority. Our helmets are meticulously engineered to provide maximum protection without compromising on comfort, breathability, or modern equestrian style.

Certification

Meets or exceeds the rigorous standards of **ASTM F1163** and holds official **SEI certification** for competition-grade safety.

Shell & Liner

Tough, lightweight polycarbonate outer shell paired with a multi-density EPS liner for superior energy absorption.

Ventilation

Advanced channeling system ensures optimal airflow to keep you cool, dry, and focused.

Fit System

Adjustable rear dial-fit system for a secure, customized fit that stays stable during movement.

Protective Gear – Body Protectors: Confidence in Motion

Our body protectors are engineered to provide certified protection while maintaining the flexibility and freedom of movement essential for riding.

CERTIFICATION

Certified to the highest safety standards, including **EN 13158:2018 Level 3**.

DESIGN

Ergonomic design with articulated panels that follow the rider's body movements.

MATERIAL

Multi-layered, shock-absorbing foam that is both lightweight and breathable.

FIT

Adjustable shoulder and side straps allow for a personalized fit.

Training & Casual Collection: Comfort Redefined

Our Training & Casual collection is designed for versatility, keeping you comfortable and stylish whether you're in the saddle, at the barn, or out and about.

Performance T-Shirts & Polos

Quick-drying, moisture-wicking technical fabric for peak comfort.

Casual Breeches & Jodhpurs

Relaxed style, ideal for stable chores or casual riding.

Hoodies & Sweatshirts

Soft, cozy fleece with a modern athletic fit for casual days.

Jackets & Vests

Lightweight, packable options for protection from the elements.

Junior Equestrian Collection: Nurturing the Next Generation

We believe young riders deserve the same level of quality and safety as adults. Our Junior collection is specifically designed for growing bodies and developing equestrians.

Safety First

All junior helmets and body protectors meet the same stringent safety certifications as our adult line.

Comfort & Fit

Adjustable waists and ergonomic cuts to accommodate growth spurts.

Fun & Style

Bright colors and fun designs make learning to ride an exciting experience.

Core Technology & Fabrics: The Science of Superior Performance

SURPHY products are built on a foundation of advanced textile technology, ensuring you perform at your peak in any condition.

Moisture Wicking

Pulls sweat away from the skin to keep you dry.

Breathability

Mesh panels enhance air circulation, preventing overheating.

4-Way Stretch

Exceptional flexibility for a full range of motion.

UV Protection

UPF 50+ sun protection for outdoor training.

Waterproof & Windproof

Advanced membrane technologies keep you protected.

Customization Services: Your Vision, Our Expertise

We offer comprehensive OEM and ODM services to bring your brand vision to life, ensuring high-quality craftsmanship tailored to your exact needs.

OEM Services

Manufacture your existing designs to the highest standards of quality, maintaining consistency with your brand's specifications.

ODM Services

Leverage our in-house design expertise to create innovative, custom products that are perfectly tailored to your target market.

Flexible Customization Options

Logo Application (Embroidery/Heat Transfer) | Color Matching (Pantone®) | Fabric Selection | Design Modifications

*"Precision in every stitch,
perfection in your brand."*

Meticulous Craftsmanship: Where Artistry Meets Engineering

Every stitch, every seam, every detail in an SURPHY product is a testament to our commitment to excellence.

Precision Stitching

High-quality, durable thread with double stitching in high-stress areas.

Premium Hardware

Only the finest YKK® zippers and snaps are used.

Ergonomic Pattern Making

Developed using 3D body scanning technology for optimal fit.

Quality Control

Rigorous checks at every stage of production ensure perfection.

Certifications & Partnerships: Trusted by Professionals

SURPHY is committed to maintaining the highest standards in safety, quality, and ethical manufacturing to ensure the trust of professionals worldwide.

International Safety Certifications

- ASTM F1163 & SEI Certified Helmets
- EN 13158:2018 Level 3 Certified Body Protectors
- Full Range of CE Certified Products

Quality Management

We adhere to the globally recognized ISO 9001 standards for quality management systems, ensuring consistency and excellence in every product.

Sustainable & Ethical Practices

Committed to ethical labor standards and actively working to reduce our environmental footprint through eco-friendly manufacturing.

Global Professional Partnerships

Proudly partnering with leading equestrian events, champion teams, and top-tier riders to co-develop and test our premium gear.
